

Dear EPD,

Caton Farms, LLC is requesting an extension on the Notice of Violation from the deadline date of April 11th, 2025. Tony Kincaid is requesting the extension date be extended seven days after the April 11th, 2025 deadline, for April 18th, 2025. The reason for the extension request is due to weather-related restrictions and constraints.

Your consideration for the extension would be very appreciated.

Thank you,

Tony Kincaid
