After looking through these, I do not see how you came up with the release amounts that you provided me on the spreadsheet titled "EO Leak or Release Incidents – Sterigenics Atlanta Facility". Can you send me the documentation on how, when and where these release amounts were calculated and the data used?

Thanks for your assistance,

James Cooley

Yes, I will try to get this downloaded again from the system and properly redacted. I should have it to you today.

Thank you. For some reason I can't read all of the description in the first attachment 180402. Could you resend this one to me?
